

The Lakeland Bible School is aimed particularly at young people from the North West but a warm welcome is also extended to any wanting to come from elsewhere. If you want to make progress in Christian experience and service, we warmly invite you to come. If you are from a small church with few if any of your own age it is especially important to come. The learning experience that the Bible School provides includes opportunities to ask questions and discuss together contemporary issues. **The age range is 18 +**

The venue we use is Keswick Convention Centre. The accommodation is very comfortable with shared en-suite rooms. The cost is listed on the booking form accompanying this programme.

Speakers:

Phil Heaps is the pastor of Westerleigh Grace Church in Gloucestershire and is deeply involved in Compass Christian Camps for young people held at Coniston.

Mick Lockwood is pastor at Hall Green Baptist Church at Haworth in West Yorkshire and has been instrumental in seeing the church revive and grow in recent years.
